Wall blocking is required for all installation

The suggested heights without the sink are 30-5/8" for Blossom Resin Basin, or 32-5/8" for Blossom Ceramic Basin.

Depending on the sinks selected, the total height will vary from 33-1/2"(850mm) to 35-1/4"(895mm). If an alternate height desired, adjust the rough-in and backing material heights using the dimensions provided.
